MCCHESNEY VS. WATER BOY.

Brighton Beach, N. Y., July 16.—The conditions of the special race in which McChesney and Water Boy are to meet at Brighton on Wednesday of next week are as follows: The Championship Special, weight for age, race for horses three-year-olds and upward, by subscription of \$500 each or \$50 if declared out by 2 o'clock p. m. on Tuesday, July 21, at one mile and a quarter, the Brighton Beach Racing Association to add \$10,000, Water Boy and McChesney to start or no race, good weather and track. McChesney will be shipped from Chicago by train, starting at 7 o'clock this evening. Immediately after the announcement of the conditions of the special race in which McChesney and Water Boy are to meet E. H. Garrison, acting for Mr. Smathers and A. J. Joyner, who trains Water Boy, bet ten thousand dollars even on the result.

J. Boden, Jr., Secretary.

The foregoing is the official Brighton Beach end of the story of the making of the terms of the most sensational sectional race arranged for in many years past. It is not a match because match making is forbidden by Jockey Club rules and any other horses can come in under the terms. It is probable, however, that the contest will be confined to the two champion four-year-olds of the east and west and tremendous will be the excitement attending its decision.

E. E. Smathers, the owner of McChesney, arrived yesterday from New York and informed a number of persons that before leaving for Chicago he had received a telegram from John Boden, Jr., racing secretary of the Brighton Beach Racing Association, reading as follows: "The Brighton Beach Racing Association will add \$10,000 to a special sweepstakes for three-year-olds and upward, designed to bring McChesney and Water Boy together; distance to be one mile and a quarter; starters to carry weight for age. The race to be run on July 22 or July 23. It would not be much of a digression to bring the horse here before going to Saratoga and the merits of McChesney and Water Boy could be tested over a track that is fast and safe. The time is short, but as both horses are ready, that scarcely would be an insuperable obstacle. The manager of Mr. Haggins' stable has received the proposition favorably. Will you race McChesney under the conditions and at the time named? Please answer." After conferring with trainer Hildreth in the afternoon Mr. Smathers telegraphed back that he was perfectly willing to send McChesney east and have him meet Water Boy or any other horse that may care to start in the race.

McChesney and Irene Lindsey, the latter also now the property of E. E. Smathers, were loaded into baggage car No. 2523 and left last night over the Michigan Central in charge of D. Woodford, one of Hildreth's employees, who will deliver the horses to F. Taylor. The latter is a well known trainer and will have them in charge during their eastern campaign. Hildreth himself will go on to New York this morning, in company with Mr. Smathers, and see the running of McChesney and Water Boy.

One important local effect of the departure of McChesney will be to greatly increase the Wheeler Handicap field. No matter how much weight was assigned "Big Mac," owners of other horses were loath to send them to the post against him. Under the changed conditions fifteen or more horses are now almost sure to go to the post in the big handicap.

ENGLISH LAD'S HYDE PARK.

As the result of a meteoric flight through the homestretch the Hyde Park Stakes was won by Fred Cook's chestnut colt English Lad, by Requitall—English Lady. S. S. Brown's bay colt Auditor, by Esher—Alcestis, was second and M. H. Tichenor's Flo Bob, by Florist or Bob Miles—Gold Bird, was third. The winner gained the victory by a head and a similar margin separated the second and third. The time was 1:14, and the net value of the race to the first was \$9,130. There were thirteen starters. At the finish a gap of four lengths divided the placed colts from Batts, leading the other ten, which were in scattering order, some of them pulling up.

Flo Bob ruled a steady favorite, while English Lad, the Middleton and Jungbluth pair, Jason and Requirer, and John A. Drake's Ort Wells were strongly backed at the post. Ort Wells was established as second choice. Auditor and Talbot Bros.' Prince Silverwings also developed considerable support in the closing transactions on the event.

English Lad was in the rear division when the field began striding and was a distinct last, apparently hopelessly out of the contest as he ran along the backstretch. That he got through the column in front of him on the turn, became a contender in the last furlong and won on the post reflects his superior quality and is a glowing tribute to the courage, perseverance and skill of Dominick, who fearlessly faced every peril of a hazardous trip and piloted him to victory. Clay Bros.' good colt Lonsdale, packing 126 pounds, eight of which represented penalties, undertook to make the pace. He was soon supplanted by Auditor. Bob Tucker had the latter ready and Helgesen had no trouble in getting him to the front in the first furlong and securing a clear lead before going a quarter, at the end of which Prince Silverwings and Lonsdale were running paired with Flo Bob at their heels and Don Domo a threatening fifth. Beginning the turn Auditor placed an open length between himself and his nearest pursuers. Midway around Don Domo dropped back beaten, Flo Bob was temporarily obstructed and Ort Wells, on the outside and English Lad, on the inside, became prominent. Nearing the homestretch Wonderly brought up Flo Bob and displaced Lonsdale, on which the weight was plainly telling. Meanwhile English Lad and Batts made advances through the flying column and Ort Wells ruined his chances by bearing out so that Coburn had to resort to the whip to keep him near his company. When fairly straightened out Flo Bob passed Prince Silverwings and looked a certain winner when Wonderly sent him after Auditor, only a length in the lead. Directly afterward Prince Silverwings hung out signals of distress and Lonsdale resumed third position with a prospect of retaining it to the end. Then Henry, on Batts, came along with a promising rush. English Lad, however, got out of the ruck, went whizzing by Batts and Lonsdale and after Auditor and Flo Bob, both of the latter being under a drive. At the last sixteenth it did not appear probable that English Lad would catch the leading pair, indulging in a desperate finish. But Dominick persevered with fierce vigor and the grand colt under him never flinched nor faltered, gallantly charged after them and in a sensational final effort caught them fifty yards from the goal, and continuing his great

Went to post at 2:56. At post 12 minutes. Start good for all but Outlist. Won driving; second easily. Marston Moor got away well in motion and showed the most early speed, but was driving to the limit at the end to stall off Amahagga. The latter always held the others safe and would have won in another stride. Helen Tarwater ran a good race, got away all tangled up, but finished fast. Savond was away poorly and could never improve his position. Outlist ran away two miles before the start and was left at the post.

Crestfallen raced Nellie Forest and Pepper Dick into submission on the far turn and came away in the homestretch with plenty to spare. Cormac was outrun in the first part of the race, but came fast and outgamed Binehelio in the final drive. Binehelio began slowly and made up a lot of ground, but tired when the pinch came. Pepper Dick and Nellie Forest raced each other into exhaustion and both quit.

Went to post at 4:02. At post 11 minutes. Start good. Won easily; second the same. Sourire was easily the best. Daly had her well in hand at the end and won with something left. Iole hung at the start, but made up much ground when she got in her stride and finished fast after being on the outside until on the turn into the homestretch. Maud Johnson just got up in time to beat out The Globe. The latter was tiring. Yeremi showed a good turn of speed, but weakened at the finish. Irene Cross was badly cut off just after the start.

Dynasty and Military then had it between them in the last furlong and the former was best handled. Military was weakly ridden at the finish and would have won with riders reversed. Fairbury ran his race and had no mishaps. Graden showed early speed, but tired as if short. ENGLISH LAD'S HYDE PARK.

(Continued from first page.)

light thrust his head to the fore at the deciding line. It was a marvelous performance that stamps English Lad as one of the best of the winners of the Hyde Park. He carried 118 pounds, and was in receipt of three pounds from Flo Bob, but considering the adverse circumstances which he overcame to win, his race is the best run this year by any two-year-old in the west. Perhaps he was lucky at the end. Admirers of Flo Bob will claim that he was, for Wonderly had to quit driving right at the finish and take hold of his colt to avoid a possible fouling of the auditor. To that happening Flo Bob's defeat will always be attributed by his partisans. Flo Bob did not finish strongly as usual. He was trained to the hour, but seemed to lack a race. Under frequent racing he undoubtedly performs best. Lonsdale showed himself a colt worthy of consideration. That at equal weights he will have to field to any of the two-year-olds racing at Washington Park is not a certainty.
The poorest race run at the meeting was the fifth, in which Monsieur Beaucaire, 96½; John Bright, 109½; Nitrate, 107, and Inventor, 09, competed and finished as named in 1:41½. There was no fast pace at any point. Monsieur Beaucaire won by half a length.
Hot, a well-backed "good thing," quoted at 2 to 1 at the post, won the last race, for which Boaster, which ran second, was a short-priced favorite.
Buccaneer and A. D. Gibson were, respectively, easy winners of the first and second races.

Alfred C. made all the running in the fourth race, to be nosed out by Gold Bell, which came from behind in the stretch.
At the request of Carroll B. Reid, Dr. Hughes yesterday evening made a final examination of the left foreleg of the Picket. After a thorough inspection the doctor said: "I am gratified to be able to say that while he, colt has caused us a lot of worrying and guessing in the last three weeks, he is now in a most encouraging condition. Beyond a general thickening, there is no trouble in his leg. There is no thickening of consequence, no lesion, no fever, no tenderness and nothing to interfere with his training, nothing to make it unlikely that he will repeat his Derby performance."

THE TICHENOR SALE.

The dispersal sale of M. H. Tichenor & Co.'s stable in the paddock at Washington Park yesterday was attended by a large crowd and the prices obtained for the different horses were really big, and in some cases in excess of the sums shrewd horsemen expected them to bring. The bidding on Flo Bob, the star of the sale, was not very spirited, only four bids being made in all on him before he was sold. The opening bid on him was \$5,000, made by S. S. Brown. C. R. Ellison immediately raised this to \$10,000 and a person representing an eastern stable to \$12,000. The next bid, \$13,000, was made by E. Tipton. After the colt had been sold it was announced that M. H. Tichenor had been the purchaser.
Waswift, Elsie L., and Sidney C. Love came in for spirited bidding, bookmaker E. G. Stutte outlasting his competitors, secured

them all. Other bookmakers to make frequent bids and become purchasers were Joe Ullman and J. C. Yeager.

LOCAL TURF GOSSIP.

J. W. Brooks, manager of the new winter racing enterprise at Los Angeles, Cal., was at Washington Park yesterday. He will go east and thoroughly canvass the various racing centers to get an idea of the horses that can be expected to race at Los Angeles. After that the stake display will be spread out. Mr. Brooks declares that the new track will open next Christmas Day and run indefinitely.

The presiding judgeship of the Buffalo meeting in August has been offered by Mr. S. S. Howland to Frank J. Bryan, who presides at Hawthorne. Mr. Bryan will accept if a substitute can be accepted for him for three days of the Buffalo meeting, which conflicts with his engagement at Hawthorne.

Woodford & Buckner disposed yesterday of Bad News to E. R. Bradley for \$7,500. Later Mr. Bradley was offered \$1,000 profit to sell the horse to a person representing an eastern stable.

Irene Lindsey was purchased yesterday from S. C. Hildreth by E. E. Smathers for the reported price of \$3,500 and will accompany McChesney to New York.

Jockeys Wonderly, Henry and Adkins were given permission yesterday by the judges to ride in the Hyde Park Stakes. Wonderly was also permitted to ride Federal in the second race.

Jockey Coburn, who has been in bad repute with his contract employer, G. C. Bennett, since the close of the Hawthorne meeting, and was ejected from the grounds of the Harlem Jockey Club by order of Judge Hamilton, rode Ort Wells yesterday in the Hyde Park Stakes. Coburn did the weight, 118, handily, and displayed a flash of his old-time riding ability.

Jockey H. Booker, formerly in the employment of C. R. Ellison, arrived yesterday from St. Louis and will in future ride free lance.

Hot, which won the closing race yesterday, emerged from the maiden class by his victory, although priorly often placed to a number of good horses since his debut as a racer.

C. B. Reid stated yesterday that he has deferred shipment of the Middleton & Jungbluth horses until Sunday. Originally it was his intention to ship today.

Trainer E. Wishard will leave today for the east to prepare for the reception of the Drake horses, which will be shipped Saturday.

LAKE VIEW HANDICAP WEIGHTS.

Below appear the weights assigned by Secretary Howard to the two-year-olds engaged in the Lake View Handicap, which will be decided Saturday prior to the running of the Wheeler Handicap. Winner—Ch. c, by St. George—Ethel Thomas (trained by R. Colston).
Went to post at 2:30. At post 2 minutes. Start good. Won easily; second the same. Buccaneer, always well up, closed up fast in the final quarter and easily wore down Trompeuse in the last eighth. The latter tired fast when challenged by the winner after showing much speed. My Ester gave it up when a furlong out. Up to there she had been a keen contender. Blackwolf ran a good race. He finished fast and would have been third in a few more strides. The others were never serious contenders.
Overweights—Instructor, 5 pounds; Zar, 1¹/₂.

Gibson, always well up, easily wore down Bardolph in the final eighth and had a little in reserve at the finish. Paul Whaley showed remarkable and sudden improvement, closing up ground fast in the last quarter and finishing with a rush. Bardolph displayed much speed, but tired fast when the pinch came. Ontongon also displayed sudden improvement, standing a long stretch drive and was fast wearing down Bardolph in the closing strides for third place. Winner—Ch. c, by Requit—English Lady (trained by W. E. Phillips).
Went to post at 3:35. At post 8 minutes. Start good. Won driving; second the same. English Lad, as usual, began slowly, but made up ground fast in the final quarter, and finishing with a great burst of speed, got up in time to nip Auditor and Flo Bob on the post. Auditor showed keen speed for five furlongs and then stood a hard last eighth drive with Flo Bob, outstaying him to the line. The latter ran his usual honest race and responded gamely under a hard drive all through the final quarter. The struggle between the first three in the last hundred yards was magnificent. Batts ran an excellent race, making up much ground in the last half and finishing fast. Lonsdale showed his usual turn of speed, but faltered badly when a furlong out. Prince Silverwings was right there for five furlongs and then fell away beaten. Don Domo showed some early speed.
Scratched—40301 Soldier of Fortune, 118 (1:30 p.m.); 40203 Sanctum, 118 (2:29 p.m.).

Winner—B. c, by Goldcrest—Heatherbell (trained by J. F. Schorr).
Went to post at 4:15. At post 5 minutes. Start good. Won driving; second easily. Gold Bell began slowly and appeared to have little chance when running near the far turn, but began to move up when turning into the last quarter, coming with a rush when running next to the inside rail a furlong out, just getting up in time to nip Alfred C. on the post in a hard drive. The latter showed much speed and appeared the winner when a furlong out, but hung just a trifle when challenged by the winner. Captain Arnold made up ground in the last quarter and finished fast, showing gameness under punishment. The Kentuckian finished strongly and would have been third in another stride. Louisville was thoroughly beaten when a furlong out. Frivol made a sharp closing up move just before turning for home, but faded away when the pinch came.

Went to post at 4:45. Off at once to a good start. Won driving; second handily. Monsieur Beucaire showed much speed, ran Inventor into submission in the first six furlongs and stood off John Bright's challenge in the final sixteenth with gameness. The latter finished going fast, but could not quite reach. The race should do him much good and he should be a hard horse to beat hereafter. Winner—B. f, by Fonso—Intermission (trained by H. Harris).

Went to post at 2:30. At post 3 minutes. Start fair. Won handily; second driving. Interval, always alert and a fast beginner, after practically pulling to the early pacemaker, went to the front on the far turn, gamely holding her own to the finish and was probably best today. Salvatella, a speedy sort of filly and luckily in a forward position at the start, closed up very fast at the end, just getting up to beat the badly-ridden Ascension for second place. The latter broke in front and held a prominent position throughout, but unexpectedly failed to make good in the final quarter, was badly ridden and in addition was probably conditioned for a longer distance. Dinksie closed a big gap from a bad start and ran a surprisingly good race. Biserta steadily improved her position and ran the best race of her career on a fast track. Midnight Chimes is in extra good form for her and is very ordinary. Courtmaid broke well and could not raise a gallop. She ran a very bad race. Eva Russell retired after running prominently to the far turn and her race was also very poor.

Scratched—40111 Petra II, 115; (34607)Virgin Soil, 107; 40312 Effie Sheppard, 102; 40261 Our Nugget, 102; (40311)Anklet, 102; 40312 Show Girl, 97.

Winner—Ch. c, by Mirthful—Flower Dellis (trained by C. Kramer).

Went to post at 3:00. At post 2 minutes. Start good. Won driving; second the same. Jocund won as if he outclassed the field, broke flatfooted and was extremely lucky to get through next to the rail in the first sixteenth and, taking second position, was under a drive throughout to overhaul Letola, passing her only in the last furlong and, coming away comfortably when he was suddenly brought to a hard drive to stall off The Southerner. The latter is a slow beginner and, occupying an inside position at the post, was roughly treated in the first sixteenth and compelled to take to the extreme outside for clear sailing. He made up a lot of ground, closing at the end with a tremendous rush. Pentaure must have got away wrong foot foremost as he was unexpectedly outrun all up the backstretch and was under the whip almost throughout, but gained rapidly in the last three furlongs, although on the outside of the field on the turn and finished running past horses at the end. Pristina worked through a rough journey and finished fast. Letola forced a terrific pace and held on extremely gamely and appeared like she was eased up prematurely when in third place. Topic was shuffled back and in the final quarter closed like a whirlwind.

Scratched—(39940)Goldspink, 115; 40256 Graziallo, 112; 39672 Florizel, 109; 40307*Tomcod, 102; Southampton, 102.

Winner—Ch. h, by Bathampton—Agnes Flash (trained by H. N. Mason).

Went to post at 3:30. At post 1 minute. Start good. Won easily; second the same. Roehampton is in great form and in spite of chronic soreness improves under severe exertions. Everyone started out at a funeral pace and this helped Roehampton, which made his own running to the half, where he suddenly went on fast and at the end of the final sprint that the race resolved itself down to, he won practically pulled up. Proper followed the winner under a choking pull and for a horse that requires strong pace he put up a game effort at the end. He signally failed, however, to make any impression on the winner in the final quarter-mile dash. Oom Paul trailed the other two and, with a half a dozen lengths the worst of it, was left far in the rear when real racing commenced.

Scratched—(40327)W. R. Condon, 114; 40257*Circus, 111.

Overweights—Oom Paul, 4 pounds; Earl of Warwick, 1.

No show betting on first three.

40376 FOURTH RACE—3-4 Mile. 3-year-olds and upward. The Test Handicap. \$1,500 added. Net value to winner \$2,665.
